

How Great are Implication Factors for Employee Engagement in Application-Based Technology Company?

Binus Business Review Sinta 2

Submit

Dear Mr. /Mrs. Ahmad Azmy,

Thank you for sending us the manuscript. According to the guideline, you need to revise it in accordance with the form and guideline attached in this message.

We also have to inform that the format revision would be done in three times, the editorial board would decline the article if the third revision doesn't meet the requirements.

Please kindly send the revision in **one week** since receiving this message so it can be proceeded to the review process.

Thank you and regards,

Dewi Novianti
Journal Publication Officer

Dear Ibu Dewi

I have completed the revision for this article. As per the comments, the headings have been removed and some references have been added that are more than five years old. There are some old articles that are still retained because of their significance in strengthening theory and conceptual research. Thanks for your attention.

Regards

Ahmad Azmy
